

## Motor Insurance - Motorcycle

More and more people today are considering the benefits of two wheeled transport, whether for cheap and easy commuting or simply to experience the thrill of the open road!

Whether you have a moped, scooter or motorcycle, we offer excellent value insurance. Whatever make and model, value or engine size - we can cover almost anything. If you have several bikes or more than one rider, AS Insurance Services can find the perfect policy for you.

We offer the same excellent Claims Service and additional benefits as our other motor policies, giving a complete riding package with total peace of mind.
