

## Motor Insurance - Family Fleet

Family Fleet Insurance is an exciting and economical new product offering cover for individuals, or families with several vehicles in the Household, who don't want the cost and hassle of insuring them separately.

It doesn't take a genius to work out that if there are more vehicles than individuals they can't all be in use at any one time, therefore why pay more than necessary for your insurance?

Offering a unique opportunity for all drivers over seventeen to start earning No Claims Discount, AS Insurance Services believes this product is a real winner for those Households that are able to take advantage of it.
